

# Made In USA

# EPDM Tarp Ties

Quality & Performance at the Right Price!

- Proprietary EPDM compound with excellent UV properties to resist cracking and extend strap life
- Strong stretch and recovery performance in both hot and cold temperatures to ensure strap provides tension needed time after time
- ½ inch thick, teardrop designed ends to help prevent hook from tearing through strap
- Zinc plated, rust-resistant steel S-hooks, pre-inserted with extra snug fit to keep hooks on the strap
- Color coded, trilingual, UPC coded labels applied directly to each strap for superior merchandising and customer assistance at the point of sale
- Available in 5 commonly used sizes
